Mr. Bill Manderson

Guelph, ON

Dear Mr. Manderson:

**Re: Wellington County**

We represent Bradford Whitcombe and Scott Wilson.

We have reviewed the material posted on your website "smelly-welley.com". Your web publications are clearly defamatory. They are also outrageous and false.

Please find enclosed a Notice of Libel. We serve this Notice on you without prejudice to our position that the law of Ontario does not require that a Libel Notice be served prior to commencing an action for defamation in respect to material posted on the internet. We require that you comply fully with the terms set out in this Notice, including but not limited to the removal from the website of the defamatory statements, forthwith.

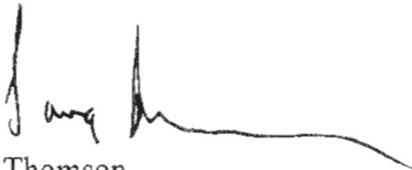

Should you fail to comply with these requirements, we have been instructed to proceed with a legal action to recover from you all damages caused by your defamation and all costs associated with the action. We also reserve our right to seek injunctive relief from the Courts. Failure to comply with such injunctive relief, if obtained, will put you in contempt of Court. We also reserve the right to pursue all other remedies which may be appropriate against you in the circumstances.

We trust that you will govern yourself accordingly.

Yours very truly,

**McCarthy Tétrault LLP**
